

# Hospital will host a blood drive

Residents can help neighbors in need of blood Monday when East Orange General Hospital hosts a blood drive beginning at noon.

The collection drive will be conducted in the lecture room of the building at 80 S. Munn Ave. from noon to 8 p.m. in an attempt to give residents an ample opportunity to donate.

Hospital officials said repeat blood donors must bring identification while new donors must provide signed identification and have their Social Security number. Donors are recommended to drink plenty of water and eat at least one hour before donating.
