## Hospital staffers present lectures

The world of health is under discussion during July as personnel from East Orange General Hospital present the Summer Health Education Series.

Greg Nkwodimmah, the hospital's director of diagnostic imaging and cardiovascular services, will present "Be Your Best Physically During Childhood" on Friday at 11 a.m. The subject will be personal health.

The session will be conducted at the East Orange Y, 100 N. Munn Ave. Call the hospital at 973-672-8400 for additional information.
