# Employee of the Month

**PAMELA  
SMITH**

**AT EAST ORANGE  
GENERAL HOSPITAL  
SINCE 1981**

**APRIL 2010**

Since being hired on September 28, 1981, Radiology Technologist, Pamela Smith, has been a shining example of dependability, diligence and dedication. She is a true professional and demonstrates the highest level of respect for patients, their families and co-workers. Her commitment to her patients' comfort and overall well-being puts her in a class by herself.

Pamela consistently demonstrates the very best quality-imaging services possible. She responds promptly to questions about tests and procedures, listens attentively, and spends quality time with each person. She is able to balance the precise use of equipment with a soft, gentle touch that helps to put her patients at ease.

Always upbeat and ready to assist, Pamela has a great attitude and is a natural team player. Her multi-tasking skills are a great asset to the department. Additionally, she puts forth the extra effort to lend a helping hand whenever needed. Her willingness to go above and beyond her job requirements and to take on additional responsibilities, has raised the level of expectations for her role.

EOGH is very fortunate to have Pamela Smith as one of its outstanding employees.

Congratulations on a job exceptionally well done!
