# Employee of the Month

**REGINALD  
POWELL**

**AT EAST ORANGE  
GENERAL HOSPITAL**

**SINCE 2006**

**JANUARY 2010**

The Employee of the Month for January 2010 is Reginald Powell, environmental services aide of the Environmental Services Department. He has been employed with the organization since May 8, 2006. Prior to coming on board with the Hospital, Reggie worked here for 19 years with a contractual company, Modern Sanitation.

Reggie is a hard working employee who is always safety conscious. He gladly takes on assignments and does not hesitate to pause from what he is doing to help others. Reggie contributes to our Patient Satisfaction scores by being customer focused at all times. He greets all patients, staff and visitors with a genuine smile, while promptly addressing their needs.

He is involved in the community and participates in the Hospital Health Fairs. Staff from several departments have commented that "it is a pleasure to work with Reggie because of his positive attitude."

Congratulations, Reggie. Keep up the great work!
