**AT EAST ORANGE
GENERAL HOSPITAL
SINCE 1990**

JUNE 2009

East Orange General Hospital has been blessed with the service of Debrah King, caterer, who was chosen as “Employee of the Month” for June 2009! Debrah first started working at EOGH in August of 1990, and is one of the few employees who stayed on board when the department of Food & Nutrition Services transitioned from a contracted management company to a department consisting of all EOGH employees.

Debrah is a wonderful person who is dedicated, reliable and hard-working. Her position at EOGH is a challenging one but she manages her huge responsibility with expertise and compassion. Her position as caterer requires patience, organization and creativity; qualities that Debrah possesses. She is task-oriented and consistently contributes to the department’s ability to enhance the catering service.

Debrah is always willing to help others within her department as well as other staff members. She conducts herself in a professional manner and anticipates the needs of her clients.

She demonstrates her commitment to embracing cultural diversity by providing individualized services. The Executive Administrative Staff consistently compliment Debrah on her performance and her high level of commitment to excellence.

If you have not had the opportunity to meet Debrah, be sure to make her acquaintance. She will always give you a smile!

Thank you, Debrah, for all that you do!
