

Our Choice Is Excellence

Employee of the Month

**AUDREY
BROWN-GIVENS**

AT EAST ORANGE
GENERAL HOSPITAL
SINCE 1986

MARCH 2010

Professionalism and commitment to customer service has earned Audrey Brown-Givens, of the Patient Access Department, the honor of being our March Employee of the Month. She has been an exceptional employee of the EOGH family for more than 30 years and has proven to be an integral part of the patient registration team.

In her role as a Patient Access Associate, Audrey always has a kind word for patients and takes the time to meet their needs. Whether it is interviewing patients to obtain information or just listening, the service she provides is invaluable. She is a very conscientious worker and has great interpersonal skills.

Audrey has shown great commitment above and beyond what is expected of her. She is extremely accountable and willingly shows initiatives within the department to take on additional responsibilities.

Audrey does not hesitate to lend a helping hand, no matter what is asked of her. She takes pride in her work whether it concerns her job, helping someone else or interacting with a patient, staff or physician.

She treats everyone with respect, kindness and compassion. Her team spirit and positive manner has earned Audrey the respect of her peers. She leads by example.

Congratulations, Audrey, and thanks for all your hard work!
