The Employee of the Month for July is Nelida Pineda, Environmental Services Aide, who has been a dedicated employee of EOGH since June of 2006. Nellie, as she is called by her peers, demonstrates a positive attitude and provides outstanding service.

She was nominated by the Medical Staff because she is a “very nice person who helps in any way she can.” Nellie is known throughout the hospital for her friendly demeanor and for her uplifting attitude. She welcomes all visitors, patients, and co-workers with a friendly smile.

Nellie is an extremely hard worker who is reliable and very proactive. According to the physicians, “She does not only attend to what is expected of her but she goes above and beyond the requirements of her job by anticipating areas of need and then addressing what should be done.” She is a terrific team player!
